

GD WATERMARK

PLUMBING & IRRIGATION SPECIALISTS

WHOLESALE CATALOGUE

2023 – 2024

ABOUT GD WATERMARK

Our Mission

GD Watermark has a mission to offer the fastest and most efficient distribution of plumbing and irrigation products to our National Plumbing Merchants and multi-outlet retail customers.

As a team we are committed to product innovation and exceptional customer service. We supply trusted brands that offer outstanding value and promote intelligent and effective use of water.

Our passionate and knowledgeable team will help educate, problem-solve and add value to all our customers.

Our Vision

At GD Watermark our vision is to achieve operational excellence by continually evolving our processes.

We endeavour to stay on the leading edge of water related products by being aware of global trends and innovation. This will deliver the widest range of world-class products coupled with outstanding service.

Our Core Values

At GD Watermark we believe in building outstanding relationships with our customers in a way that exceeds their expectations. We endeavour to operate with integrity and dignity in all aspects of our business.

Our Platform

- Ultimate distribution nationally – delivery in full, on time
- The widest range of world class products
- Trusted brands
- Dedicated team
- Exceptional service

INSULATION & FOAM

K-Flex Pipe Insulation

- Low thermal conductivity of 0.032W/m.K improves system performance and energy efficiency
- High water vapour diffusion resistance controls condensation and insulates against heat loss/gain ensuring long-term system performance
- Self-extinguishes in case of fire
- Low smoke development index
- ISO 9001:2000 certified
- Independently tested by NATA accredited laboratories and meets the fire performance requirements of AS/NZS 4859.1
- Resistant to growth of bacteria and mould
- Perfect for use on copper tube
- Ozone Depletion Level (ODP) of zero
- Solar HT tubes provide high temperature resistance, suitable for hot water applications with extreme UV and weather resistance

PLASTEC

Wholesale Distributor for Plastec Products

Plastec is one of Australia's largest manufacturers of plumbing products, fittings and accessories. With well over 1,000 Australian made products in an ever-expanding range, GD Watermark stock and can source any of Plastec's innovative plumbing solutions.

Plastec's full range includes:

- Clips, brackets & test plugs
- Drain waste & vent (DWV) fittings
- Flexible joints and pipe fittings
- Floor flanges, Tri-Tec valves & cover plates
- Floor waste grates
- Large bore fittings
- Leak control systems
- Pan connectors, adjustable bends & accessories
- Plugs & wastes
- Push-Tec
- Rainwater
- Spare parts
- Stormwater
- Traps, double bowl sink connectors & accessories
- Vinyl floor wastes
- Waste connectors

Head to www.plastec.com.au to view their catalogue.

Please contact one of our dedicated team members to obtain stock availability and pricing.

SUB-SOIL DRAINAGE PIPES

Our sub-soil drainage pipes come in unslotted, slotted, and slotted with pre-fitted RTA sock. We also have a wide range of fittings and accessories to ensure your next drainage pipe project goes off without a hitch.

PVC FITTINGS

- PVC products are highly resilient, tough and durable with high tensile and high impact strength
- Offers resistance to a wide range of chemicals, sanitary effluents and naturally corrosive soils, ensuring interior walls remain smooth and seamless
- Once PVC systems are properly selected, designed and installed, they are virtually maintenance free – they will not rust, pit, scale, corrode or promote build-up on the interior
- PVC systems are light in weight reducing transportation, handling and installation costs
- No special tools required for cutting

Traps

SPACE SAVER TRAPS

	SIZE	SKU	ORDER QTY
